- VI. **Items for Consideration**
  1. Discuss and consider a recommendation to City Council to convert 10<sup>th</sup> Street to “One-Way” traffic flow, in the southbound direction, between Ayers Street and Staples Street. This request is related to Six Points Intersection and Signal Improvements (Bond 2016) (Project #E17036).
  2. Vision Zero
- VII. **TAC Member Communications-** This time is for board members to address issues and items of concern not on this agenda. City staff can also brief TAC on future agenda items. TAC members can also request or recommend items for placement on future agenda items. There will be no official discussion or action at this time.
- VIII. **Adjournment**

This notice was posted on the official electronic bulletin board in the Atrium of Corpus Christi’s City Hall, 1201 Leopard St. at: 11:30 a.m./p.m., Feb 21, 2020.

  
\_\_\_\_\_  
Renee Couture – City Traffic Engineer

**Note:** Per Transportation Advisory Committee policy, no Commission policy, no Commission member, staff person or members of the audience shall berate, embarrass, accuse or show any personal disrespect for any members of the staff, Commission members or the public at any Transportation Advisory Commission meeting. This policy is not meant to restrain a citizen’s first amendment rights

**Public Comment:** Members of the audience will be provided an opportunity to speak at the beginning of the meeting, or as otherwise specified by the Chair of the Transportation Advisory Commission as particular matters are being acted upon or discussed in which public comment is necessary or requested. A recording is made of the proceedings; therefore, it is requested that presentations be limited to three (3) minutes. Please speak into the microphone located at the podium and state your name and address before addressing the Transportation Advisory Commission.

**Accessibility Statement:** Persons with disabilities who plan to attend this meeting and who may need auxiliary aids or services are requested to contact the City Traffic Engineering Division (361-826-3547) at least 48 hours in advance of the meeting time so that appropriate arrangements can be made.
