

# Hurricane Evacuation Bus Assistance

Planning and Preparedness are key to any successful operation. In order to evacuate your residents or the City, and you have no reliable transportation, are you prepared? Do you have a plan?

In the event of an incoming hurricane the City of Corpus Christi, CCRTA, and CCISD have devised a system that gets you safely out of the path of the storm. They've established a procedure whereby in emergency situations those with no reliable transportation can evacuate the City.

Simply head to the nearest RTA Bus stop, and you will be taken, free of charge, to a hub for processing. By way of CCISD bus, you will be transported out of town and out of harm way. To learn more, call the Office of Emergency Management at 361-826-1100.
