

ARE YOU READY?

# HOME INVENTORY CHECKLIST

## PHYSICAL

Walk through your property

Create a detailed inventory

## VISUAL

Keep your inventory in a safe place

Photograph your valuables around your house

## DETAIL

Keep serial numbers of electronics

Register electronics you have, including make and model, for easy reference

## ETCH

Update your information every time you acquire new items

Tip: Etch your driver's license number in the back of the item

## SAVE

Tip: Send your pictures to an e-mail address in case you lose the hard copy or camera

Consider putting jewelry in a safe deposit box
