Dr. Jen Brown

Associate Professor - Texas A&M University – Corpus Christi

In 2020, Dr. Brown started *The Gulf* podcast, a collection of stories about people who have a passion for or work to protect the Gulf of Mexico. Dr. Brown's research is focused on environmental history – history of fisheries, conservation, animals and natural resource policy. Her books and acclaimed articles do not just inform, but also help to bridge the connection between people and nature.

Join us from the comfort of your own home to learn about how Dr. Brown started this podcast as well as the stories that she recorded. You can also listen to her podcast beforehand; it is available on many listening platforms like Spotify, Apple Podcasts and Google Podcasts.

- To reserve a space, please register at <https://register.ccparkandrec.com/>. This lecture will be online. **Once registered, you will receive an email with a Zoom link that will allow you to attend this lecture.**
- This program is **FREE** and designed for individuals and families with children ages 12+.
