

For  
Adults

# FUNdamentals of Geology

**Saturday  
February 1  
2025**

8:45 a.m. to 12 p.m.

This course is designed for naturalists, interested citizens, older students, and science teachers as an introduction to basic geology concepts with hands-on identification methods. An emphasis will be placed on Texas geology.

This fundamentals of geology course will cover these four topics with “lab” exercises for each:

- Deep Time and The Geologic Time Scale.
- Geology in Layers – Texas Geologic Map.
- Identification of Common Rocks and Minerals.
- Introduction to Fossils.

The course fee is \$15. Participants between the ages of 14 and 17 must be accompanied by a registered adult. Register online at <https://register.ccparkandrec.com>.
