Preserve staff invites your homeschool child to attend our homeschool programs this fall. Both programs contain three learning activities some of which will happen outdoors while others will happen inside our classroom. Siblings who are older or younger than the targeted age groups will not be included in the program activities due to limited supplies. Parents may drop their registered child off or participate in the program with them.

- Each field trip date is open to 12 children.
- Program fee is **\$5 per child**. There is no charge for parents.
- Online registration is required at <http://register.ccparkandrec.com>.
