& LEARNING CENTER
CORPUS CHRISTI • TEXAS

We invite your homeschool student to spend their morning stretching their legs and strengthening their minds at Oso Bay Wetlands Preserve!

Lessons in Navigation: Ever wonder how people knew where to go and how to get there? Learn how to navigate the land using compasses and GPS units!

Fishing Fun: Learn about fish anatomy, techniques for collecting fish and fish survival. We will also do a fish dissection in this program!

Wildflower Detectives: This program covers flower anatomy as well as the different wildflowers that call our prairie home. Students will also learn how pollination ensures that wildflowers return each spring.

- Each date is open to up to 20 students.
- Program fee is **\$5 per child**. To keep group size low, parents will not be allowed to participate in the programs.
- Masks are required to participate in these programs.
- Online registration is required at <https://register.ccparkandrec.com/>.
