Winter at the Preserve

We invite your homeschool student to spend their morning stretching their legs and strengthening their minds at the Oso Bay Wetlands Preserve! This program will explore the unique plants and animals that thrive in the wintertime at the Preserve, and how the inhabitants change with the seasons. We will discuss how plant and animal adaptations play a role in what organisms we see at different times of the year.

- Each date is open to up to 20 children.
- Program fee is **\$5 per child**. There is no charge for parents.
- Online registration is required at <https://register.ccparkandrec.com/>.
- Parents are welcome to drop off, or stay with, their child(ren) during the program.

Meet at the Oso Bay Wetlands Preserve & Learning Center located at **2446 N. Oso Parkway, Corpus Christi, TX 78414**.
