

# Thar' She Blows!

## Avoiding Makeshift Lawn Ornaments

Trim or remove damaged trees and limbs to keep you and your property safe.

Bring in your flags, awnings, wreaths, wind chimes, sculptures, & lawn chairs.

Bring potted plants into the garage or indoors. These could also become dangerous projectiles.

If you can't move things indoors, use a strong rope or garden hose to tie them securely down.

Bring down any playground equipment and trampolines and store indoors. Check pool cover to ensure they are secure.

Grills and propane tanks should be brought indoors.

Move cars to safety--cars are often damaged by debris during a hurricane.

Make sure you bring in your pets and any pet supplies left outside.
