### Construction Updates

#### Ongoing Preparation of Road Subgrade at Ayers Street & McArdle Road

This week, storm sewer pipe installation continued on Ayers Street from Mansheim Boulevard to Sunnybrook Road. The contractor also worked on the Ayers Street and McArdle Road Intersection by preparing road subgrade in the area.

Next week, installation of storm sewer pipes is anticipated to continue northward on Ayers Street from Mansheim Boulevard to Sunnybrook Road. Preparation of road subgrade at the Ayers Street and McArdle Road Intersection is planned to continue as the contractor works toward reopening the Intersection.

All work is weather permitting.

Safety is a top priority, so motorists and pedestrians are reminded to be aware of the work zone, follow all traffic control devices, and use alternate routes to avoid delays.

Temporary Closure: Ayers Street & McArdle Road Intersection

- McArdle Road is closed from the Ayers Street Intersection to Archer Drive.
- Left turns are restricted from southbound Ayers Street to McArdle Road.

Lane Closures:

- Johanna Street to Crosstown/SPID Interchange (Northbound) – The outside thru lane on Ayers Street is closed approaching the Crosstown/SPID interchange. This lane closure will continue through the underpass of SPID. This closure will not impact access to the eastbound frontage road.
- Johanna Street to Crosstown/SPID Interchange (Southbound) - The left turn lane and median openings are closed.
- Crosstown/SPID Interchange & Ayers Street Intersection (Northbound) – Northbound Ayers Street is CLOSED at the Crosstown/SPID Interchange intersection. Motorists must use alternate detour routes such as the SH 286 northbound frontage road, Gollihar Road, Kostoryz Road, or McArdle Road to access local businesses.
- Crosstown/SPID Interchange to Gollihar Road – Ayers Street is reduced to one-lane, one-way traffic flow in the southbound direction only. Access to all local businesses is provided.
- Ayers Street and Gollihar Road Intersection – The outside thru lane on Ayers Street, in the southbound direction only, is closed approaching the Gollihar Road intersection.
- SH 358 Frontage Road (Eastbound) – The shared thru left turn lane is closed.

### Business Feature

#### Bank Location Pleased with Progress on Ayers Street Construction Project

The BBVA Bank location at 5105 Ayers Street, near the Crosstown Intersection, is pleased with the progress of the Ayers Street construction project. Branch manager Abigail Perez says access to their bank location has remained open and their daily operations have remained unaffected throughout the construction process. Overall, bank customers and staff look forward to roadway and traffic improvements once the Ayers Street project is completed.

This BBVA Bank location will be closed for business on Saturdays and Sundays temporarily, as BBVA goes through a new company merger. Routine business hours for weekdays will be Monday – Thursday 9am – 5pm, and Fridays 9am – 6pm. Lobby and drive-thru services will both be open Monday – Friday. To learn more details about services and availability at the BBVA on Ayers Street contact the bank at [361-854-2228](tel:361-854-2228) or visit their [website](#).

### City Information

#### 5 D'S OF DEFENSE AGAINST MOSQUITOES

Use insect repellent containing DEET.

Dress in long sleeves and pants when you're outside.

Dawn, Daytime, and Dusk are the times of day when mosquitoes are most active. Avoid being outside during these times.

Drain standing water, mosquitoes breed in stagnant water.

Consult a physician if you feel sick after being bitten.

WWW.CCTEXAS.COM/MOSQUITOCONTROL

Check out the Vector Control Unit's tentative mosquito spraying schedule. See Schedule: <https://bit.ly/3xCquMK>

After any significant rainfall, remember to remove any standing water, maintain your yard, and practice the 5 D's of Defense.

#### 5 SUGERENCIAS PARA DEFENDERSE DE LOS MOSQUITOS

Use repelente de insectos que contenga DEET.

Vístase con mangas largas o pantalones cuando esté al aire libre.

Durante el amanecer o anochecer es el tiempo cuando los mosquitos están más activos, evite estar afuera durante este tiempo.

Drene agua estancada, los mosquitos se multiplican en esa agua.

Consulte a su médico si se enferma después de una picadura de mosquito.

WWW.CCTEXAS.COM/MOSQUITOCONTROL

Consulte el horario tentativo de fumigación de mosquitos de la Unidad de Control de plagas. Ver horario: <https://bit.ly/3xCquMK>

Después de una lluvia significativa, recuerde eliminar el agua estancada, mantener su jardín y practicar las 5 D de la defensa.

#### Get YOUR business featured in the Ayers Newsletter!

Businesses located along the Ayers Street construction path are encouraged to participate and get a 'spotlight' in the Ayers Newsletter! The Business Feature is FREE and a convenient phone interview only takes 5-10 minutes. Let our readers know you are open and operating!
